Paul,

I reviewed my files for the three exploration permit applications and small mine permit application submitted to the Utah Division of Oil, Gas and Mining by Earth Energy Resources, Inc. There are no confidential materials in any of these applications and I agree that the contents of the files be made available to Living Rivers. For clarity, the permit/application numbers are as follows:

. EER PR Spring 1, Exploration Project, E/019/052, Grand County, Utah

. EER PR Spring 2, Exploration Project, E/019/053, Uintah/Grand Counties, Utah

. Leonard Murphy #1 Mine, Small Mining Operations, S/019/059, Uintah County, Utah

. Earth Energy Resources, PR Spring 2, Exploration Project, E/019/0053, Uintah/Grand Counties, Utah

If you require anything further, please contact me at your convenience.

Regards,

Barclay

Best regards,
